

CITGO Under Deck Canopy Paint

CITGO, in partnership with Anchor Paint, has formulated an under deck canopy paint to help enhance our brand image and keep the under deck of your CITGO canopy looking bright and clean.

Benefits

- Cost effective and competitive
- Easy, two-coat application—one coat primer, one coat paint
- Mold and mildew resistant
- One gallon of each covers a 200-square-foot area

Installation

Complete installation instructions can be found in “Section 5: Paint Image Standards” in the CITGO Image Standards and Installation Guidelines Manual located on MarketNet at [Brand Management>>CITGO Image Guidelines>>Paint](#).

Questions

Please contact your [Brand Manager](#) with any questions.

“Based on my research, CITGO under deck canopy paint seems to be the clear cut winner for overall looks and durability.”
