WHY BENNETT?

The Pacific eNVy Delivers the Lowest Total Cost of Ownership

60% POWER SAVINGS

Bennett's X19 Electronics draw only 2AMPS of power and provide a 60% power savings versus the competition

REDUCED MAINTENANCE COSTS

The Bennett SB100 meter is the industry's most accurate meter, providing station owners with peace-of-mind and years of trouble-free performance.

Bennett grade select buttons are the industry's only stainless steel buttons with no moving parts, which make them virtually indestructible.

All display panels use hardened polycarbonate sacrificial lenses providing increased protection and longevity.

5-YEAR LIMITED WARRANTY

In addition to the full two-year bumper-to-bumper limited warranty, Bennett covers many of the most critical components for a full five years.

*Note: Competitive content derived from most current available published information. Bennett makes no guarantee pertaining to the accuracy or availability of competitive information.
