PROGRAM NOTES:

- > Pricing listed for Encore 700 S dispenser plus Hybrid (Chip + Mag Stripe) Card Reader (HCR). Brand and customer required options are available. Additional charges may apply.
- > Applause TV Promotion at time of order may be combined with this offer.
- > Program offers an upgrade of a site's existing PX51/PX52 server and screen to the PX60 All-in-One terminal. Passport peripherals currently installed will be reused. Components included in pricing are shown on the following page.
- > To qualify for this bundle offer, the Encore 700 S dispensers and the Passport PX60 Trade-Up must be commissioned at the same site.
- > To qualify for the listed amounts for additional savings, Encore options must be included on four or more dispensers. EMV Comms discount may not be combined with the current Applause TV promotion. To qualify for \$1,000 per site multisite discount, five or more bundles must be placed on the same order. Please ask about savings for 2-4 sites.
- > Program offer requires specific decommissioned components of the existing POS system to be provided to your local Gilbarco distributor upon installation. Ask your distributor for additional details.
- > Additional items may be needed depending on site configuration and current Passport software version installed. Please contact your Gilbarco Distributor for a complete estimate.

Bundle Discount Example:
