Mystik JT-6

Heavy Duty SynBlend 460 Moly Plus #2

An advertisement for Mystik JT-6. It features a worker in a yellow hard hat and safety vest holding a clipboard, standing next to a yellow excavator. The background shows a mining site with large piles of dark material. The text on the advertisement reads: 'MYSTIK® JT-6® HEAVY DUTY SYNBLEND 460 MOLY PLUS #2', 'MORE THAN MOLY™', and 'PROTECTION ENGINEERED FOR HARSH CONSTRUCTION AND MINING ENVIRONMENTS'. At the bottom, there are images of a large white drum, a smaller white bucket, and a tube of the product, along with the 'Mystik LUBRICANTS' logo. A small inset image at the bottom left shows an excavator working on a construction site.

MYSTIK® JT-6® SYNTHETIC
ELECTRIC MOTOR #2 GREASE
PROTECT YOUR
ELECTRIC MOTOR
FROM DAILY
MECHANICAL STRESS

- Premium quality, lithium complex grease optimized to provide outstanding performance in electric motor applications
- Recommended for use in many fill-for-life applications
- Compatible with some polyurea greases as long as electric motor temperature does not exceed 460°F

Mystik JT-6

Synthetic 220 #2

An advertisement for Mystik Lubricants. It features a collage of images: a farmer in a plaid shirt and cap holding a spray nozzle, a red tractor, a red semi-truck, and a green combine harvester. A purple sign in the upper left corner reads 'A GREASE FOR EVERY APPLICATION.' Below the vehicles, there are several containers of Mystik lubricants, including a large purple drum, a white drum, and a white bucket. The background shows a green field with rows of crops. A text box in the lower right of the ad reads: 'Mystik Lubricants are all about keeping your equipment running efficiently and maximizing its usefulness so you can get your work done. We offer a broad line of top-quality greases formulated for a variety of demanding applications. We know your equipment has different performance needs, so we've engineered our products to meet those demands. And if this wide range of greases doesn't meet your specific need, our technology experts can formulate one that does.'

The screenshot shows the CITGO MarketNet website interface. At the top left is the CITGO logo and 'MarketNet' with a 'Lubes' dropdown menu. Below the logo is a search bar and a navigation menu with items like 'ABOUT CITGO', 'ACCOUNT MANAGEMENT', 'STANDARD ORDERS', 'NATIONAL ACCOUNTS', 'FREIGHTFREE OPTION', 'SWIFTSHIP PROGRAM', 'CLARION SWIFTSHIP PROGRAM', 'PRODUCT INFORMATION', 'LUBES ADVISOR', 'PRODUCT CROSS REFERENCE', 'PLANTS', 'LUBEASSURE', 'MARKETING TOOLBOX', 'TRAINING AND WORKSHOPS', and 'USER PROFILES'. The main content area features a welcome message and a grid of resource tiles: 'SHOP PRINT STORE', 'GO FOR THE GREEN', '2026 PROGRAMS GUIDE', 'MARKETER COUNCIL INFORMATION', 'AUTOMOTIVE LUBRICANTS PROGRAM', 'Webinars', 'Lubes Advisor', 'Learn About LubeAlert', 'LubeAssure', 'PRODUCT CROSS REFERENCE', 'SOCIAL MEDIA TOOLKIT', 'GREASE TOOLKIT', 'JUST TRY IT', 'PC-12 TRUCK STOP', and 'VEKTOR PARTNER'. A 'MARKETNET 2.0 ORDERING PORTAL' tile is also visible. Below the grid is a carousel with a slide titled 'Now Available: 2026 Lubricants Programs Guide' and a sub-headline 'View the 2026 Lubricants Programs Guide to kick-start the new year right!'. A large red arrow points from the '2026 Programs Guide' tile in the grid to the '2026 Programs Guide' tile in the carousel. An orange arrow points from the '2026 Programs Guide' text box on the left towards the website screenshot.
